The YMCA is a nonprofit organization that works to strengthen the foundations of community through programs that support youth development, healthy living and social responsibility. Thanks to the generous support of those who donate to the Y's Community Support Campaign and our fundraising events, financial assistance is available to those who cannot afford the full fee and qualify for assistance. Assistance is normally offered at a discount of 15-50% off the full fee for membership and most programs; discount of 15-25% off programs held at BVSD schools. We believe that a strong sense of ownership and pride is developed when the recipient has contributed to the cost of their YMCA involvement; therefore, you will be asked to pay some portion of the fees. The Y allocates more dollars each year than we fundraise in order to support our community members to the best of our ability.

TO APPLY

Individuals need to provide all requested information on the Financial Assistance Application form to include a verifiable address, income, family size and expenses so that financial assistance can be provided in a fair and consistent manner. All information will be kept confidential. Financial assistance is awarded for YMCA membership and programs in incremental periods of 3-12 months, based on need and type of scholarship. Your fees are subject to increase when you re-apply. If you do not re-apply when requested, your enrollment may be terminated. Incomplete applications cannot be accepted.

In addition to your completed Financial Assistance Application, we need verification of household income from any of the sources listed below. Please check all documents in which you are providing a copy:

- If working, provide copies of your two most recent consecutive pay stubs for each adult in the household. If self-employed, provide the past 6 months of bank statements and your Federal Tax ID number. Most recent tax return also may be submitted.

The Y will determine financial assistance eligibility based on a thorough review of the application. Please allow up to two weeks to process your application. Personal interviews or additional information may be requested. Incomplete applications cannot be accepted. You will be notified by telephone and/or email regarding the status of your application and, if qualified, the amount of assistance awarded. After notification, you will have 30 days to redeem your assistance (after 30 days, you will need to re-apply). Scholarships are awarded on a first come, first served basis, subject to available resources.
