School Age Program
2019-2020 School Year

Registration

Before School Begins: The YMCA before and after school programs is welcoming to children of all abilities. Registration Packets and instructions are available at Arapahoe, Mapleton and Longmont facilities, as well as online at www.ymcanoco.org. Those registering by August 2\textsuperscript{nd} are ensured space beginning the first day of school. Those registering after August 2\textsuperscript{nd} will be accepted according to availability of staff.

The YMCA offers additional support and assistance in small group settings. In a small group context, children must be able to safely and cooperatively participate in program activities such as community field trips, swimming, and outdoor sports and games. Children must also be able to reliably follow directions and cooperate with guidelines regarding their safety and well-being and the safety and well-being of others.

After School Begins: Registration forms and instructions are online at www.ymcanoco.org. At this time, you may register with your YMCA Site Director at your school or complete on your computer and email to reg@ymcanoco.org. Please submit a copy of your child’s immunization records when registering!

YMCA OF NORTHERN COLORADO MISSION STATEMENT

The YMCA of Northern Colorado is an Association of people of all ages, abilities, ethnic groups, and religious affiliations who are united in a common effort with a worldwide fellowship putting Christian Principles into practice and enriching the quality of spiritual, mental, and physical life for all.

YMCA PHILOSOPHY OF SCHOOL AGE PROGRAMS

The YMCA of Northern Colorado has been providing quality, licensed school age programming for families for over 35 years. With an emphasis on character development, our programs are value driven and committed to providing a supportive, fun environment for youth and support for their families. It is our belief that children do not stop learning when school is out; they simply change “teachers” and “lessons”! We look forward to your family becoming part of our YMCA family. (7.712.31 A. 1)

YMCA GOALS FOR SCHOOL AGE PROGRAMS

To support youth by focusing on:

- self-awareness, confidence, and feelings of self worth
- building interpersonal relationships
- an understanding and acceptance of diversity
- physical fitness, health and nutrition
- an awareness of safety and respect for our environment
- effective communication skills
- accountability for our actions
- a variety of fun and enriching activities and opportunities
- exposure/opportunities to a variety of opportunities

To support and strengthen families by focusing on:

- positive, supportive communication
- opportunities for families to work and play together developing healthy lifestyles
- increasing a sense of community with other families
- providing a safe, happy, and fun environment in a program that gives parents peace of mind
- guiding parents in supporting their child’s journey
- offering opportunities for parental leadership

YMCA CHARACTER DEVELOPMENT:

The YMCA seeks to model, teach and promote strong character in all members and participants focusing on these core values.

Caring - Honesty - Respect - Responsibility & Leadership
YMCA School Age Program Overview

**Program Ages** – Our program enrolls children in Kindergarten through 5th grade during the school year. Our license includes children up to 16 so that we can provide leadership opportunities for older youth in our “Leaders in Training” school year program or Summer Programs to work directly with a staff person to provide leadership opportunities. These youth are included in the ratio. (7.712.31 A. 2)

“Imagination Stations”

The following “Imagination Stations” are offered daily and are set up for children to initiate choices based on their interests:

- **Arts & Crafts to stimulate creativity**
- **Board Games to build problem solving skills and social skills**
- **Science to stimulate curiosity and exploration of our environment.**
- **Architecture to stimulate our need to build and create**
- **Music and Movement to encourage our appreciation for the "Arts"**
- **Competitive and Non-competitive physical activities to keep us healthy and challenge us physically**
- **Reading and Math games to stimulate us intellectually**

Children are given the opportunity to give input to the program when appropriate, and most activities are structured to give children choices. During the time children are at the site, there are opportunities for outside activities, structured indoor activities and time to explore “Imagination Stations”.

**Learning Lab:** Quiet Time for Study and Individual Work

Learning Lab time is scheduled Monday - Thursday so we can support work on Homework. We recognize that there is a wide range of philosophies on homework from school to school and from family to family. Our goal is to provide a half hour of time that is conducive for children to work independently on their homework. If your child does not have homework or you would prefer your child work on this at home with you, we provide a variety of quiet, cognitive activities, such as word games, math challenges, reading, mazes or other academic related activities. All children are expected to work independently without side conversations during this time. Studies have shown that children concentrate better on homework after they have had time to burn off energy, have a healthy snack and have had time to socialize with their friends. Please let your Director know if your child is struggling with homework. Although, we are not set up to provide individual tutoring, we can collaborate with your child’s teacher to support homework time.

**Monthly Program Calendars**

You will receive a calendar monthly outlining activities that are offered. If your child has any special interests you would like to see added to our program, please let us know!! We live in a world that is forever changing and we want to respond to the changes this is creating in our youth.
Structured Activities

In addition to our "Imagination Stations", our Directors plan special Art Projects, Homework/Quiet Time Sports, Science, Team Building, Active Play, CLUBS, STEM, Culinary Arts and a variety of other activities each day. When group size necessitates, and allows, youth are divided by age groups to participate in these age specific special activities.

School Day Off Camps

If the YMCA program is attending a Field Trips and notice with location and departure/return times are listed on each program’s weekly schedule. This information is also posted on the program center door at departure time. We ask that children are dropped off by 9:00AM, unless otherwise notified. Field trips usually return to the site by 4:00PM. Due to issues involved in ensuring the safety of the children in the group, parents may not pick up and drop off their children at a field trip destination. If you have special time constraints that make it difficult to have your child at the site from 9:00am-4:00pm, please talk with your Site Director in advance. (7.712.31 A.4) (7.712.31 A.13)

All children attending are required to go on scheduled field trips. In the rare instance when a child may not be interested in participating in field trip activities, we take additional materials when appropriate.

ABOUT OUR STAFF

An ability and desire to relate positively to children and parents is a crucial requirement in choosing our staff. All of our staff meet, and in most cases, exceed the qualifications required by the Department of Human Services. Programs are led by qualified YMCA Directors that meet all CDHS Director Level qualifications.

Our staff is required to provide three references from past employers or others that may be knowledgeable about their ability to care for children. In the case of a younger program aid, this may be their first work experience. We then ask for references from teachers, clergy, scout leaders or others who may have provided leadership for the young person.

All staff are required to be fingerprinted which provides us with a background check. Colorado Bureau of Investigation (CBI)/FBI would report any offense including misdemeanor or felony charges. Central Registry of Child Protection would report anyone listed as a known child offender in the State of Colorado.

Our staff also completes orientation training on YMCA policies and procedures, child abuse laws, discipline, and child development. Over 15 hours of training are provided before summer begins. We provide insurance, sick and vacation days to all our year round full time Directors. Please talk to your Director about the qualifications of the specific staff caring for your children.

STAFF TIME WITH FAMILIES OUTSIDE OF PROGRAM TIME

For the protection and safety of your child and our staff, YMCA employees are not permitted to: baby-sit for children who are in our program; spend personal time with our families, or transport children in private vehicles at any time. No contact from staff directly to children by phone, email or internet is allowed. Please do not put our staff at risk of losing their position with us by asking them to do so.
DATES AND HOURS OF OPERATION

We offer care before and after school from 7:00 am until school starts and from school dismissal until 6:00pm. We offer care Monday through Friday from 7:00 a.m. to 6:00 p.m. during time off from school, including summer, winter, and spring breaks. We do not provide care on the following holidays: New Year’s Day, Christmas Day, July 4th, Memorial Day, Labor Day, Thanksgiving and the day after. If a holiday falls on a Saturday, we close on Friday; if a holiday falls on a Sunday, we close on Monday. We do not provide care on the Friday after school ends to allow staff organizational time for summer. Please check your Program Center parent board for specific dates of closure.

We are unable to provide half-day kindergarten care during the school year due to lack of space available in the school during these times. K-Care is provided by BVSD at most locations during this time period.

Due to the substantial risk to staff, and participants and the unavailability of emergency support, the YMCA will not provide care on district established SNOW DAYS. We are also unable to provide care when the school announces an EMERGENCY CLOSING such as, but not limited to, a gas leak or no water. (7.712.31 A. 4)

POLICIES AND PROCEDURES

ATTENDANCE

If your child is ill, please do not send him/her to the program. If you need care for a sick child, call Children’s Services at 441-3180 for available options. If your child becomes ill while in our care, we will call a parent or authorized adult to come for your child immediately. Should an emergency arise, we require that a parent or authorized adult be available within a half hour of being contacted. We do not offer credits for missed days due to illness or any other absence.

STAFF ILLNESS POLICY

In addition to children, staff should also be excluded from the child care facility under certain circumstances, including if they are unable to participate or perform the functions required for their position or if they are suffering from certain infectious diseases. A staff member or staff means any person working or volunteering to perform duties in a child care facility, including caregivers.

Directors/supervisors are responsible for observing the staff for signs of illness throughout the day. Staff members have the responsibility of reporting, to the director or person in charge, any signs of infection or illness that may pose a hazard to the health of children and other staff. If a staff member is sent home, it is important to know when that person will be able to return to work. Attachment A identifies the conditions that require exclusion of staff and provides guidance on when they should return to work.

Food Handling Staff Exclusion Requirements

Special attention must be given to staff members that handle food because many illnesses can be spread through food from an infected person. Additionally, children under the age of five years old and those with weakened immune systems are at increased risk for foodborne illness. Food handling activities include preparation of any food (i.e. washing, cutting, cooking, and portioning), the mixing and feeding of bottles, and feeding infants and toddlers solid foods. Food handling staff must notify the director or person in charge if they exhibit any of the following symptoms:

1. Vomiting
2. Diarrhea
3. Jaundice
4. Sore throat with fever
5. Any open or draining wound that is not covered with a water proof bandage and is: a. On the hands or wrists*; b. On any exposed portions of the arms; or c. On other parts of the body.
* In addition to water proof bandages covering wounds on hands and wrists, single service gloves must be worn at all times when handling food.

**SICK CHILD POLICY**

There are three main reasons to keep sick children at home:

1. The child doesn't feel well enough to take part in normal activities, (such as; overly tired, fussy or won't stop crying).
2. The child needs more care than teachers and staff can give, and still care for the other children.
3. The illness is on this list and staying home is recommended.

Children should be kept home if they show the following symptoms:

DIARRHEA: Frequent, loose or watery stools compared to child’s normal ones that are not caused by food or medicine

FEVER: With behavior change or other illness A fever of 100°F or above in babies 4 months or younger needs immediate medical attention.

"FLU-LIKE" SYMPTOMS: Fever over 100°F with a cough or sore throat. Other flu symptoms can include tiredness, body aches, vomiting and diarrhea

VOMITING: Throwing up two or more times in the past 24 hrs

CHICKEN POX: Until blisters have dried and crusted (usually 6 days)

HEAD LICE OR SCABIES

HEPATITIS A: Until 1 week after the start of the illness and when able to take part in usual activities

IMPETIGO: For 24 hours after starting antibiotics

ROSEOLA

STREP THROAT: For 24 hours after starting antibiotics and the child is able to take part in usual activities

VACCINE PREVENTABLE DISEASES

**SIGN IN AND OUT**

It is a Department of Human Service regulation that all children must be signed in and out daily by an authorized adult at least 18 years of age. Full signatures are required by licensing in the state of Colorado. These policies ensure the safety of all children in our care. The YMCA of Northern Colorado allows children 12 years or older to sign themselves in and out of School Age Programs once the following has occurred: a parent submits a completed authorization form, the site director confirms the child demonstrates sufficient maturity to handle the responsibility and the Executive Director has authorized, as determined by the specific conditions under which this is allowed.

Anyone picking up and signing out a child must be at least 18 years of age, listed as an authorized pick up person by the parent/guardian, and must provide a picture ID. If you wish to add or delete someone to the list of adults authorized to sign your child out, please notify your site director in writing. It is important that we have current information on your child at all times. We sometimes have substitutes that may not be as familiar with parents as our regular staff. Please be prepared to show your photo ID every time you arrive to pick up your child. (7.712.31 A.15)
LATE PICK UP
If a child is not picked up by 6:00 pm and the Director has not been notified, the Director will contact everyone on the emergency list and notify the leadership team. If the Director has not received a return call by 6:30 pm the Director may contact the police department, ask for the social worker on call, and report an “abandoned child”. After 7:00 pm the Director will ask that the child be in the custody of a social worker from child protection. (7.712.31 A.16)

VISITORS
All visitors to the program, other than a parent, legal guardian, or emergency contact must fill out the information required in the visitor log, provide a picture ID and get authorization prior to the visit. (7.712.31 A.21)

PROGRAM FEES
Please access our Registration Packet for a detailed breakdown of programs options and fees.

CANCELLATIONS/PLAN CHANGES
The responsible party must submit a change/cancellation form to the site director by the 15th of the month to cancel/change plan for the upcoming month. Registration fee difference will need to paid for all plan changes. A $25 fee will be assessed when plan changes are submitted on a change/cancellation form. No refunds are issued for fees already paid. A credit may be placed on the account for future Y programs at the discretion of the Business Office. April 1 is the deadline to cancel any Year-Round Plan due to commitment for camp planning. No credits or refunds are issued for cancellation of any plan. Please make sure you are signed up for the correct plan. (7.712.31 A 25)

You may not add the School Day off package after September 5th and it may not be canceled off your plan after January 1st due to the billing spread through the school year.

The Year Round Plan includes care from the 1st day of school through the last day of summer camp. If you are registering between September 1st and January 1st, you may still enroll in the Year Round Plan with a payment for the difference between the School Year and Year Round Plan from September-December. If you cancel/change your Year Round Plan, no refunds are issued for previous month’s payments and are not accepted after April 1st for summer. All Change/Cancel policies apply. (7.712.31 A 25)

APPROPRIATE DRESS
Children attending our program need to be appropriately dressed for recreational activities. Appropriate outerwear to accommodate Colorado’s ever changing weather is crucial. **Children must have appropriate footwear — rubber soled shoes that fully cover their feet such as tennis shoes.** Footwear needs to fit well and be comfortable and safe for climbing and running. Please do not send your child in crocs, flip flops or other open toe/heal shoes. Clothing that expose tummies or undergarments and/or T-shirts with insulting or derogatory sayings and/or pictures should not be worn to our program.
WHAT TO BRING AND WHAT TO LEAVE AT HOME

Children will be provided with an area to store their personal belongings while participating in YMCA programs. These can be cubbies, baskets or hooks in a closet. Please be aware that they are not lockable areas. We will support your child in keeping track of his/her belongings; however, the YMCA is not responsible for lost or stolen items. (7.712.31 A19)

Age appropriate movies may be shown on special occasion. If a computer/technology is required for your child’s homework please inform your director.

TRANSPORTATION

When transporting children, we use only qualified, licensed drivers in accordance with Colorado State law. Children are transported in YMCA vehicles that meet the Colorado School Bus Standards as well as buses that are leased from the local School District. All buses traveling in the mountains are equipped with the proper safety equipment and the drivers are mountain trained/certified. In addition, our older children will sometimes walk or take the RTD to field trips. Staff is not allowed to transport children in their personal vehicles at any time. (7.712.31 A.12)

Transportation during Y Programming: Transportation may be provided to children for field trips and other outings taking place in YMCA programs. All parents/guardians will review and sign off on approval for transportation while in YMCA care on their parent’s agreement found in their child’s registration packet. All transportation of children is pre-scheduled and available to parents on their child’s daily/weekly site calendar. Families will be made aware in advance of all off site trips/transportation of their child. (7.712.31.1.12.1)

Transportation Safety: While riding on the bus participants will sit face forwards with backs to the seat at all times. Children will load the bus with their attendance group and sit with age appropriate buddies at all times. Staff will sit throughout the bus with children in order to see all seats and monitor behavior. Before each bus departure a safety/ emergency talk will be provided by the bus driver (7.712.31 A14)

AUDIO / VIDEO POLICY

Watching television & movies is not a regular part of our programs. Videos/DVDs are shown on an occasional basis on bad weather days or when related to a specific theme. Only “G” rated films will be shown and the specific movie will be listed on the weekly schedule. The Upper Grade Group (4th & 5th) may watch “PG” movies if the specific movie title is posted and parents sign their child up to participate. There will always be alternative activities during movie times. YMCA owned Video and Computer games may be offered on a limited basis for Upper Graders. Only “child-rated” games which the staff has purchased will be offered on special occasions. Video games from home are not permitted due to the difficulty in monitoring their content. Music is an important part of every child’s development. We want to make sure all children are getting the physical/social activity they need, therefore, please leave all handheld games at home. (7.712.31 A.13)
MEDICATION ADMINISTRATION

Medication regulations are established by Colorado Department of Human Services – Division of Childcare. Medication refers to skin creams, lip balms, over the counter drugs, prescription drugs, homeopathic and alternative medicine, vitamins, and some health drinks and foods. Please check with your director before bringing medication to the program. (7.712.31 A.18)

- A YMCA Medication Form with all state required information must be filled out by a physician and signed by the parent.
- Medication must be in its original container.
- Medication must be given directly to a Director or Assistant Director (these individuals have received the CDHS approved training).
- We cannot keep more than one week’s supply of medication.
- We can only accept non-perishable medications.
- Failure to provide prescribed medication which is mood/behavior altering may result in inability to attend until the medication is received.

The YMCA does not have the facilities to store refrigerated medication. Medication is stored in a locked bag at the program center and should not be sent with your child. At no time should a child have medication on his/her person or belongings. Many medications that seem harmless to your child may cause allergic reactions or damage to other children. If your child has any medication that cannot be given by mouth or applied to the skin, we may be unable to administer it. In some cases Epi-pens and inhalers may be kept with the child after a discussion with the parent and director and Department Executive occur.

INSECT REPELLENT

Insect Repellent: During summers when mosquitos are an issue, it is very important to send insect repellent with your child. As with sunscreen, this must be labeled with your child’s name. Repellent may be in the form of wrist bands, wipes, or lotion (NO SPRAYS WILL BE ACCEPTED AT THE PROGRAMS!) Since sunscreen is applied several times during the day, the health department recommends not using the sunscreen which includes insect repellant, to avoid over exposure to chemicals.

SUNSCREEN REQUIREMENT/APPLICATION

It is important to send at least 30 SPF sunscreen with your child during any season when sun exposure might be a problem. When selecting a sunscreen, please consider the level of waterproof protection, allergies, and degree of protection your child may need. Please label your child’s sunscreen with his/her first and last name. We will do everything we can to prevent sunburn, including making sure sunscreen is applied frequently and shelter is provided. For those children who are especially vulnerable to sunburn, a dark colored T-shirt to wear during outdoor swim is requested. If your child does not have sunscreen, s/he may be excluded from activities in the sun.

SWIMMING TRIPS

Open swim at local pools is scheduled as field trips. Children are supervised by staff and qualified lifeguards when swimming. Children will remain in the shallow end unless “deep water swim” is authorized by a parent and a swim test is passed. Children authorized for deep water swim wear a bright yellow wrist band. Be sure to send a swimsuit and towel on swim days. If sunscreen is not provided, we will need to keep your child in the shade and s/he will be unable to swim. Please make sure to send an extra t-shirt for your child to wear if necessary and let the staff know that your child will need to wear it. (Please label all items!)
SECURITY AND CONFIDENTIALITY
If there is a restraining order or custody restrictions concerning your child(ren), we must have a current copy on file in our office and at your child’s program center. Please discuss any special circumstances with the Program Director. Our policy is not to release information about your child to anyone who is not on your emergency authorization list. We will contact you if anyone who we are not familiar with or who is not listed on your registration forms tries to get information and/or pick up your child. You may place a security password in your child’s file to allow access to or changes to your file/records. Under certain circumstances, YMCA staff may need to discuss issues concerning the health and welfare of your child with school staff.

PHOTOS & VIDEOS OF YOUR CHILD
YMCA staff may also take photos or videotapes of your child for educational, promotional or special project purposes, unless you notify us otherwise. If you have concerns, please discuss this with your Site Director and give them any exceptions in writing.

DEVELOPING HEALTHY EATING HABITS
Our YMCA School Age Program is committed to serving children healthy meals and snacks in our all of our Youth Serving programs – we do this by providing the following and ask your support when packing your child’s lunch for their camp day with us!

**Snacks**
Our goal is to offer fresh fruits or vegetables for every snack time along with a whole grain, dairy or low fat protein item. Junk foods and sugary snacks are avoided with the exception of an occasional treat. We provide afternoon snack during after school program as well as during School Day off Camps. Children may eat a snack brought from home as long as it meets these criteria and is authorized by a staff person. Water and cups will be readily available during the school year and offered as the main beverage. Parents are required to provide a water bottle for their child every day during the summer.

**Lunch**
Parents are required to provide a nutritious, non-perishable lunch for their child during the summer and on non-school days. Please place an ice pack or a 100% frozen juice or freeze-pack in the lunch if there are perishable items. The Department of Human Services requires that all lunches are checked for nutritional balance and spoilage. Please do not bring soda, sweetened drinks, candy or junk foods. If a child forgets to bring a lunch or has an inadequate lunch, we will notify you and give you the opportunity to bring a lunch for the child when possible. If a parent cannot be reached, is unable to bring a lunch, or if staff does not have time to notify a parent, a healthy lunch will be provided for your child. You will be responsible for paying the $25 “no lunch fee” which is due when the child is picked up at the end of the day. It is against Department of Human Service regulations for a child not to have a lunch available. We will never force a child to eat their lunch or snack but will encourage them to eat in a healthy manner. We will not withhold snack or lunch from a child for any reason. Please be sure to let us know if your child has any food allergies. Please ask for help if you are having a difficult time finding healthy choices your child will eat! We have lots of ideas!

Every child must have a water bottle and will be encouraged to drink plenty of water at lunch and throughout the day.
INCLUSIVE PARTICIPATION IN YMCA PROGRAMS

Diverse Abilities: The YMCA is welcoming of all children within our programs. Our objective is to provide all children equal benefits of a YMCA program experience and to have all children benefit from accepting and understanding diversity in others.

A Support and Assistance Questionnaire is first step in this registration process. This can be filled out by parents, teachers, and other health support teams as the first step to determining the best placement in our programs for your child. Assessments of this information are made to determine individual needs of the child and to create a support plan. The development of this plan can take up to two weeks to create. Participation plans may include alternate programming, which may be more effective for the individual. (7.712.31 A: 3)

At no time can a single child’s situation put other participants, staff or the organization at risk or be detrimental to the overall goals and objectives of the program.

Economic Hardship: The Association will make efforts to provide financial assistance to families facing economic hardships and therefore unable to afford our fees. YMCA of Northern Colorado generally provides financial assistance for up to 55% of the fee for those who qualify. Families can apply for assistance by requesting the appropriate form and returning it with the documentation requested to our Arapahoe branch. Appropriate forms are available at our school based program center, the Arapahoe Branch, the Mapleton Branch, the Ed and Ruth Lehman Branch and on our web site. Our funds are provided for those who do not already qualify for the Colorado Child Care Assistance Program or any other third party organization. Depending on your situation, you may be required to apply with CCAP before YMCA financial assistance will be considered. CCAP, in most cases, will also be able to give you a better rate if you qualify. You can reach CCAP at: 303-604-1043

GUIDING CHILDREN

The YMCA School Age Program offers a well-rounded program with a wide variety of daily activities for children. The YMCA staff models, teaches and encourages good communication skills, problem solving skills, and positive social interactions between peers and staff by providing a well-organized, fun and challenging program. We believe this approach creates an atmosphere which decreases the amount of behavioral concerns and provides a strong support system for children who are having challenges. When behavioral concerns arise which are beyond the normal range of day to day occurrences, the staff will communicate with the parents. Our goal is to then create a plan with the parent(s) and child to interact in a more positive way with the staff and their peers. All children go through challenging times and our goal is to support them in their efforts to make progress.

The YMCA has a responsibility to approach behavior management in a preventative and positive manner by providing well supervised programming by qualified and adequately trained staff. At no time in any of our programs are staff allowed to manage children’s behavior through hands on restraints, physically moving or picking up a child or by grabbing or removing a child’s hand/other body parts. Staff are to appropriately handle behaviors through the below steps and other children in the program are never to assist in behavior management or redirection of another child in the program.

The YMCA can provide information and guidance to Mental Health Partners and the Mental Health Partners Kids Connects program for any family requesting mental health services.

Behavior Contract: Steps taken for serious behavior problems may include written reports with behavior contracts, additional positive reinforcement, and discussions with parents to create a plan for change. In the rare occasion when the situation cannot be resolved, suspension/expulsion of the child from the program may occur. Behavioral issues following a suspension will be reviewed by the site director, department head, senior staff and YMCA legal counsel which could result in expulsion. Our goal is to provide a safe and enjoyable environment for all participants. (7.712.31 A.9)
The YMCA may terminate/suspend a child’s enrollment for any of the following reasons:

- Failure to adhere to Health and Human Services regulations and YMCA policies; including signing in and out.
- Behavior by a child that poses a threat to the safety of him/herself or others; including directly disobeying a staff person.
- Behavior by a child that is continually disruptive to the program and it’s participants and staff.
- Destruction to the property of the program, school, staff or peers.
- Behavior by a parent which is disrespectful to staff, children or community.
- Non-payment, late payment or return of payments by financial institution.
- Any of these behaviors will result in a behavior action plan up to and including suspension and or permanent removal from YMCA programs. During a suspension period, the incident will be investigated and a decision will be made by appropriate YMCA staff using appropriate resources to determine if all stakeholders are best served by the child returning to the program. Future incidents regarding the same child will follow this procedure.
- Leaving the direct supervision of a staff person without his/her specific permission according to the expectations of the program. (7.712.31 A.9)

REPORTING “SUSPECTED” CHILD ABUSE

Colorado State law requires anyone who works with children to report possible signs of child abuse or neglect. Some examples are (including but not limited to) suspected verbal abuse, physical abuse, sexual abuse, lack of basic care in the areas of personal hygiene or nutrition, or leaving a child alone or in the care of another child under the age of twelve. After a report is made, it is up to child protection staff to determine outcome. We are not allowed by law to discuss the situation with the parent before or after making a report. Please discuss any concerns you may have with your Director. (7.712.31 A23)

STAFF/CHILD RATIO

The State of Colorado’s minimum standards for staff to school age child ratio is 1:15. The YMCA will always be in compliance with these standards.

LOCATOR SYSTEM

Each site has a locator system utilizing a locator board and tracking sheets to keep track of children both inside of the building and on the playground. Staff use small group attendance forms with children’s names noted- staff will perform name to face checks every fifteen minutes. Please ask your director to show you how the system works and what you can do to support your child and YMCA staff in utilizing the system effectively. Staff will ensure at the end of the day that all children have been picked and signed out for the day.(7.712.31 A.8)

School Activities-

Any child attending a club/alternate afterschool program and will return to the YMCA afterschool after must complete an activity release form. This outlines what the activity is, where it is located and the dates it will occur. This form will also state what time the child should be back in attendance at the YMCA Program. All parents/guardians acknowledge the follow:

- It is my responsibility to ensure that my child knows what to do and where to go for the activity.
- If my child attends the activity immediately after school. He/she must check in at the YMCA before attending the activity. While at the activity the YMCA will not be responsible for his/her whereabouts.
- If my child attends an activity that does not occur immediately after school, he/she must go to the YMCA and the staff will deliver my child to the activity (school-based only) at the appropriate time. While at the activity the YMCA will not be responsible for his/her whereabouts until he/she returns to the YMCA at the scheduled time.
- I am responsible for informing the YMCA if my child is scheduled to the YMCA, but is picked up instead.7.712.31.25
EMERGENCY PROCEDURES

The Department of Human Services requires every child care/camp facility to have an emergency plan in the event that any of the following emergencies should arise. Staff is trained to deal effectively with emergency situations. A record of emergency incidents for all program facilities is made public at the Department of Human Services.

Parent has a Last Minute Emergency: If you need to contact your Director, (forgotten lunch, late pick up, new person picking up your child, checking to see how your child is doing) please call your Director's voice mail and s/he will return your call as soon as possible. All Directors have either a site phone or cell phone. Please use this number only in an emergency!

Severe/Excessive Hot Weather Conditions: All groups will seek shelter immediately and stay there until after the weather clears. We will provide activities indoors or in shaded outdoor areas as appropriate. Water is accessible to children at all times and they are encouraged to drink fluids throughout the day. Children are expected to bring water bottles and take them outdoors with them. (7.712.31 A.5)

Fire Procedures: All sites will have a written fire evacuation plan onsite that all staff are trained on and sign off on. Sites will perform practice fire drills throughout the school year and summer with staff and program participants to ensure all participants are familiar with evacuation procedures. A written fire log will be available onsite for three years documenting practice fire evacuation procedures. We are performed monthly.

Flood: All sites will have a written flood plan onsite that all staff are trained on and sign off on. In the event of a flood the program center will move all children, staff and attendance records to the second level of the building or higher. Attendance of children and staff will be taken immediately.

Tornado/Severe Weather: All sites will have a severe weather plan that all staff are trained on and sign off on. In the event of severe weather all participants and staff will proceed to the required area as determined per program center. This area must be an area completely free of windows. Attendance of children and staff will be taken immediately. These are performed monthly (March-October)(7.712.31A5)

Missing Child: We will make every effort to notify the parent immediately. Our staff will immediately start searching for the child and contact the police for support when necessary. If an incident of a missing child occurs, it will be reported to the parent and is reported to The Colorado Department of Human Services, Division of Child Services within 24 hours. (7.712.31 A.11)

Late Drop Off: Parents are provided with weekly schedules, listing all field trip locations, times, and site specific pager number and/or cellular phones. On full days drop off is before 9am and pick up after 4pm to cover field trip times and be involved in pre-trip announcements and expectations. Children may not be picked up or dropped off at field trip locations. If you arrive at the site to drop your child off and their group has already left for their field trip it is the parent/guardians responsibility to care for their child until their group returns to the home site. At no time shall any child be dropped off at a facility where YMCA staff is not present. (7.712.31 A17)

Medical Emergency: We will administer first aid and/or CPR and make every effort to contact the parent/guardian. If emergency medical treatment is required, we will contact a doctor, hospital, or call 911 depending on the severity of the injury or illness. Health insurance information should be provided if at all possible. Please be aware that any medical expenses incurred will be the responsibility of the parent or guardian. (7.712.31 A.10)

Vehicle Mechanical Failure or Accident: We will administer treatment as necessary and notify the authorities. The vehicles used by the YMCA are all supplied with first aid materials. Emergency information on each child is taken along on any outing away from the program center. Parents will then be notified as appropriate. (7.712.31 A.10)

Field Trip Emergency: If an emergency occurs on a field trip the Director will ensure the safety of the children according to the resources available at the specific location and environment and contact the leadership team concerning the nature of the emergency, the plan, and new return time. The leadership team will contact parents. (7.712.31 A.10)

Emergency Closure: If the site will be closed or needs to shut down due to an emergency, families will be notified via phone and email. You can also access closures on our website at: www.ymcanoco.org
(7.712.31 A24)
FIELD TRIP SAFETY
We often take field trips during full days and occasionally afterschool with the older grades. Any time we leave the site with a group of children an increased awareness of safety issues is imperative. Therefore, each staff has a field trip form with a specific list of children for which s/he is responsible. Staff is required to do face counts regularly and check each child on the list. This includes a face count on the bus, getting off the bus, several times on the trip, getting back on the bus and exiting the bus. Field trip details, especially those concerning safety, are shared with all staff and children at group time. Children wear colored wrist bands with the YMCA contact information listed. Children are accompanied by staff when using public bathrooms. (7.712.31 A.13)

PARENT COMMUNICATION AND INVOLVEMENT
It is our belief that open, honest and direct communication between the adults in a child’s life is vital to his/her success. The YMCA will seek to communicate regularly with you about your child’s progress or any concerns. We encourage you to communicate your concerns and comments with the director immediately if they arise. We believe that the best way to support you and your family is to work as a team with a solution oriented approach. Please do not have your cell phone on when in the program. Our staff and your child(ren) deserve your highest level of attention when you arrive.

Parent Involvement - We welcome parent involvement in all of our programs. Please share your ideas, interests, and concerns as they arise. Your input helps us make our programs the best they can be. Concerns, questions and suggestions for the program should be addressed to your Director. If further support in solving a challenge is needed, please call the Administration office at (303) 664-5455

Voice Mail – Every Program Director has a cell phone and voice mail box. The best way to reach them is by calling their cell phone number – listed on their business card as well as on our website: www.ymcanoco.org. They will retrieve your message from their voice mail as soon as they are able to break away from the children or meeting they are in.

Phones – Every site has a cell phone which is the best way to communicate with your Site Director. The Director’s first priority is the children and staff in his/her program during program hours. They normally do not answer when the Director is in ratio running programming or in a staff meeting. Please feel free to leave a message or text message for your Site Director and they will return your call at their earliest convenience.

Sick Child – If a child comes to the Y program ill or becomes ill in our care the staff will call the parent/guardian to have their child picked up from the program. While the child is waiting staff will check child’s temperature, provide water and a sick mat/pillow for the child to rest on until guardian arrives. Per The Department of Health and Human Serves: a child must be fever free and symptom free for 24 hours or have a signed doctor’s authorization to return to the program. (7.712.31.A.10.A)

Accident/Injury – If a child experiences a non-medical emergency injury while in the care of the YMCA, the staff on site will contact the parent via phone to inform them as well as discuss with parent/guardian upon pick up time that day. If the injury is severe and requires immediate medical attention the staff will call emergency responders first followed by the parent/guardian. All incidents will be discussed with the child’s parent/guardian upon pickup that day. (7.712.31.A.10.A)

COMMUNITY SUPPORT CAMPAIGN – An opportunity to contribute!
The YMCA of Northern Colorado serves a very economically diverse population. For the last 50 years we have impacted the community through School Age Programming, Summer Day Camps, Residence Camp, Teen Programs, and Youth Sports. If you would like to make a contribution to support other youth who are less economically capable of participating in our programs, please contact:
EXPRESSING CONCERNS

Our program can only be at its best with input from our families. If you have a concern or question about your child’s program, please set up an appointment to speak to your site director. Please address all concerns in a professional manner. We focus on our four character values; Honesty, Respect, Responsibility and Caring. Therefore, it is important that we all role model appropriate problem solving skills. Most issues can be easily resolved at this level.

If the director and parent(s) are struggling with a concern, they may ask a supervisor to be involved. Please feel free to contact our Department Executive if you are in need of further support:

Julia Capnerhurst
Senior Program Director for School Age and Community Programs
YMCA of Northern Colorado
Julia.Capnerhurst@ymcanoco.org
303-443-4474 x4295

Lisa Swainey
Executive Director for School Programs, Preschool and Community Programs.
YMCA of Northern Colorado
Lisa.Swainey@ymcanoco.org
303-443-4474 x4700

If at this time, you have questions about policy or wish to address a concern that you feel the YMCA is not addressing appropriately you may call the governing body for childcare in the State of Colorado. (7.712.31 A.22)

STATE LICENSING

The YMCA complies with the rules and regulations of the Colorado Department of Human Services which licenses all of our programs. Licenses are available at site locations. For further information regarding their policies, please call 303-866-5948. The Department of Health and the Fire Department also inspect our programs. All staff is required to be cleared by the Colorado Central Registry which has information concerning anyone who has been convicted of child abuse or any felony. We provide licensed care for elementary age children only. Special programming is offered to youth and teens throughout the year. Call the YMCA teen department for programming information at 303-442-2778.

INFORMATION FROM DEPARTMENT OF HEALTH AND HUMAN SERVICES

The following is a letter from Department of Health and Human Services. It is a requirement of every childcare facility to issue a copy of this information to all parents.

Dear Parent,

Your child is now enrolled in a child care program that is licensed by the Colorado Department of Social Services. The license indicates that the program has met the required standards for the operation of a child care facility. If you have not done so, please ask to see the license.

Most licensed facilities make every effort to provide a safe and healthy environment for children. Unfortunately, on rare occasions, an incident of physical or sexual abuse may occur. If you believe that your child has been abused, you should seek immediate assistance from your county department of social services. The telephone number to report child abuse in your county is:

- 303-441-1000 or 303-866-5958
- Boulder County Social Services
  3400 Broadway
  Boulder, CO 80304

Child care services play an important role in supporting families, and strong families are the basis of a thriving community. Your child’s education, physical, emotional, and social development will be nurtured in a well-planned and run program. Remember to observe the program regularly, especially regarding children’s health and safety, equipment and play materials, and staff. For additional information regarding licensing, or if you have concerns about a child care facility, please consult the Colorado Office of Child Care Services at 303-866-5958.
YMCA MEMBERSHIP/PROGRAM OPPORTUNITIES – One Membership – Three Facilities

Year Round participants received a FREE Family Membership Year Round. School Year participants receive a 50% discount on Family Membership from September through May.

A YMCA MEMBERSHIP is one of the best investments that you could possibly make for an individual or a family’s well-being and fun. The YMCA specializes in helping those who are new or returning to exercise and those wishing to develop a healthier lifestyle. You will find programs for the whole family to participate in making your experience with the YCMA inviting and satisfying. For more information call the Mapleton Center at 303-442-2778, the Arapahoe Center at 303-664-5455, or the Longmont Center at 303-776-0370.
