

PROTECTING OUR ATHLETES

YOUR ROLE IN LOCKER ROOM SAFETY

Ensure every athlete feels safe, respected, and supported. Locker room monitoring protects privacy, prevents misconduct, and builds trust.

KEY RESPONSIBILITIES

- **Two Deep Rule:** Two screened adults present at all times
- **Same-Gender Monitoring:** Match athletes' gender where possible
- **No Cell Phones or Cameras:** Strictly prohibited
- **Privacy First:** Athletes change in private areas only
- **SafeSport Compliance:** All monitors must complete training and pass background checks

WHAT TO WATCH FOR

- Unscreened adults entering locker rooms
- Cell phone use or photography near athletes
- Confusion about gender monitoring roles
- Failure to document and report concerns
